The Kenshikan Dojo

91 Rosslyn St. West Melbourne 3003

It is with great pleasure and excitement that Melbourne Budokai and the Kenshikan Trust formally invite you to attend the re-opening ceremony of the Kenshikan Dojo on Sunday the 11th of December 2011. We would very much welcome your participation at this historic occasion which will involve a traditional ceremony followed by a goodwill jigeiko.

In early 2010 the Melbourne Budokai launched the 'Kenshikan Restoration Project', the most significant initiative undertaken since the Kenshikan's opening in 1990. Over 20 years of extensive usage by the budo community has led to the steady deterioration of the Kenshikan facility with the external roofing material and the dojo floor suffering the most damage. As caretakers of the Kenshikan Dojo, the members of Melbourne Budokai decided to take action to ensure the continuation of the Kenshikan legacy and to provide a safe venue for the practice and development of Kendo, Iaido, Jodo and Naginata for all Australians into the future.

The Kenshikan Dojo closed its doors for 4 weeks to allow construction to begin on a new dojo floor. We are proud to announce that the new floor is ready and waiting for a new era to begin.

We look forward to seeing on the day.
